

The Small Business Money Tour

FUELING DREAMS CREATING NEW REALITIES

Join banking and financial leaders to learn about the exciting Maryland Casino Business Investment Fund specifically designed to provide capital for small, minority, women, and veteran owned businesses. In addition, meet business leaders to discuss current and future business opportunities in the Maryland high growth business areas.

The MISSION of the Maryland Casino Business Investment Fund is to provide affordable and flexible financing to Maryland based small, minority, women and veteran owned businesses in order to build the recipients' capacity to create jobs, build wealth and become a sustainable economic engine in its community.
